## **DETAILED ACTION**

## Examiner's Amendments

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR
 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Maryellen Feehery on April 7, 2004.

Amend the application as follow:

In the claims;

Cancel claim 2,

Claim 5, line 1, after "claim 1," delete "or 2,"

Claim 6, line 1, after "claim 1," delete "or 2,"

Claim 7, line 1, after "claim 1," delete "or 2,"

Claim 9, line 1, after "claim 1," delete "or 2,"

Claim 10, line 1, after "claim 1," delete "or 2,"

Applicants' remarks and amendments filed March 30 have been received and the amendments haven been entered.

The claims are allowable because the difference of results between the instant claimed subject matter and those disclosed by the prior art are practically significant and unexpected, as evidenced by the two declarations filed March 9, 2004.

Application/Control Number: 10/037,360

Art Unit: 1617

Claim 2 would not further limit claim 1 since claim 1, as amended, recites the limitation in claim 2. Applicants agree to cancel claim 2 (see the interview summary herein attached).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Shengjun Wang, Ph.D. whose telephone number is (571)272-0632. The examiner can normally be reached on Monday-Friday from 8:30 to 5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Sreeni Padmanabhan, can be reached on (571)272-0629. The fax phone number for the organization where this application or proceeding is assigned is (703) 872-9302.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the receptionist whose telephone number is (571) 272-1600.
